

Serpentine

Crafted solely by Spectrum Cubicles and promoted by some of the greatest architects of this age, the SERPENTINE washroom range is designed to create the finishing touch to some of the most prestigious environments in the world. Engineered to stand the test of time, the SERPENTINE's unique cubicle system stands ahead of its class due to the infinite variety of charming visual characteristics alongside the simple, clean design leading to speed, ease, practicality and satisfaction throughout the entire process. Appealing to all, the SERPENTINE washroom range is designed to offer ultimate flexibility, to save time and equipment on site, to boast its magnanimous charm, to display perfection and to require absolutely no maintenance. The chemical resistant, easy-clean toughened glass is available in a vast range of opacities, colours, textures and tints to enable the SERPENTINE to enhance virtually every environment with tremendous impact. Turned aluminium hardware increases the durability of the SERPENTINE washroom range in harmony with setting an unrivalled aesthetic appeal. The SERPENTINE cubicle system – "Unique, and brilliant with it!"

CUBICLES

Division Panels, Pilasters &

Doors:

All sheet glass in the Serpentine Cubicle system is from 10mm toughened float glass pre-drilled and cut to size as requested. All division panels, pilasters and doors are from rimless and frameless glass panels with bevelled and polished edges.

Standard Glass Finishes:

Satin
Smooth
Listral (rough textured)
Silk screen printed in a choice of six RAL colours.
Please note that there are many other special glass finishes available on request.

Ironmongery & Accessories:

All fittings are turned from solid aluminum bar. Standard fixings allow for allen-key type and snake eyed fittings, and high security stainless steel fittings are available on request. All pressure clamps, feet, brackets etc. are finished in Satin Anodised Aluminum (SAA).

STANDARD DIMENSIONS

Overall height:

2100mm including legs

Overall depth:

1500mm including pilasters

Door width:

Standard 750mm / Disabled door width 900mm.

Please note that these dimensions are guideline figures only.

IN THE SERPENTINE GLASS RANGE...

- Glass Benching
